CERTIFICATE

This is to certify that M/S SITRA INFORTECH PRIVATE LIMITED, Hyderabad has successfully provided engineering, Logic development, Installation, commissioning, integration and acceptance testing services for Allen Bradley make Programmable Logic Controller Systems (model PLC-5 series) for our project at M/S Sanghi cements (2 million tons per annum cement plant) Sanghipuram, near Bhuj, Gujarat during the period Nov 2001 to Feb 2002.

We & our customers were very happy with the prompt response and the dedicated work done by Sitra Engineers. They have shown excellent skills in logic development and site implementation, which has resulted in saving lot of man hours at site.

We wish to thank them for the excellent support given, throughout the period of implementation and we have no hesitation in recommending their services for any process control applications.

For **Enterprising Innovative Engineers**
